

ONE PAIR ONLY

This EA just only for GBPUSD. Not recommended to other pair.

ONE EXPERT ADVISOR ONLY

Topprofit-EA could not work together with other Expert Advisor in the same Live account number. If you also want to use the Expert Advisor besides Topprofit-EA, use at the different Live account number.

MINIMAL BALANCE

Minimum balance to use Topprofit-EA accommodate with value gyration of price at the time of now, Contract size, Leverage, Call margin and minimize the which lot allowed by broker. It is important to know the conditions set by the brokers on all the above before you use the Topprofit-EA.

To present moment at pair GBPUSD, suggest:

1. To Leverage 1:200, Contract Size 10000, CallMargin 30% and minimize the lot 0.01
=>Minimal Balance = 150 dollar or cents dollar. Advisable 300 (dollars or cents)
2. To Leverage 1:200, Contract Size 10000, CallMargin 30% dan Minimal Lot 0.1
=>Minimal Balance = 1500 dollar or cents dollar. Advisable 3000 (dollars or cents)

Those value is relativ. If all setting content according to the User Settings (see on the next page) and **ShowSetting=true**, so on the chart will presented Minimum Balance which need with interest precise.

Please tried Demo version or Live version on your Live account to know value of minimum balance which needed.

SPREAD

Topprofit EA only work with spread at not more than 4. If broker change spread from 3 before all become more than 4, usually caused by movement of price

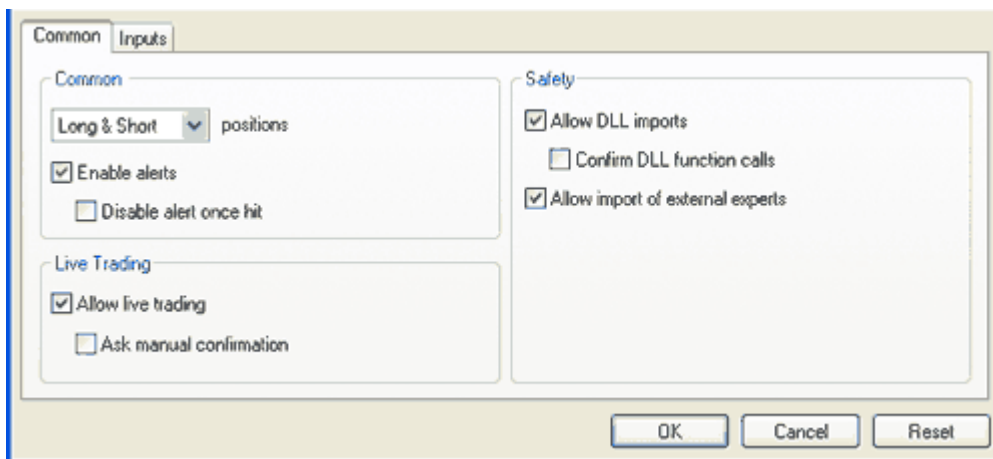

which too eksterm. Movement of price which ekstrem can caused ugly to analysis. Topprofit EA specify 4 as limit. But if you ask 3 as limit please contact us..
